

The H.U. Lee Memorial Foundation has awarded more than **\$750,000** in scholarships to **over 700 students** since 1992. Help us continue to honor Eternal Grand Master's legacy by hosting your own fundraising event.

Please visit the special 20th anniversary website at HULeeFoundation.org/anniversary to donate and leave your special message for all to view. Check back often as we introduce new and exciting ways for you to contribute to our Songahm students across the world.

In the words of our founder, "Today Not Possible, Tomorrow Possible".
